Dear Parents,

At Hermitage Primary we are committed to developing the whole child and as many different skills as possible. To increase the range of opportunities, the staff have once again indicated that they would like to offer the pupils an extra-curricular activity after school. These activities will start week commencing Monday 23rd October and will continue until the end of the spring term. We will do our utmost to accommodate all children in their chosen activities. However due to high demand numbers will be limited in certain clubs and may need to be allocated via ballot. In order to cater for demand some clubs may be split into two blocks. If this is the case you will be advised.

The preparation and organisation of a weekly activity for pupils after school requires extra commitment from staff and in return we ask that pupils understand the need for them to be committed to attending the activity each week. The same standards of behaviour expected in class during the day will also be expected at after school clubs. I would ask that you discuss this with your child before returning the reply slip overleaf. In the interest of safety a weekly register will be taken at these activities and pupils must attend unless an explanation written by parents has been received. If your child is unable to attend on any occasion the school **must** be informed beforehand, preferably in writing. Your child must be able to attend the whole session from 3 to 4pm. Children are not permitted to leave early in order to attend other out of school activities.

All the clubs require resources, and to help cover the cost of these resources £7 must be paid. This should be paid per child not per activity.

If you would like your child to take part in an activity please complete the reply section overleaf and return to school by **Monday 18th September**. Only in exceptional circumstances will children be able to join a club after this date. All forms should be returned with your child and given to their stage classroom assistant. Please be aware that there are no school crossing patrollers after clubs. Your child will receive a letter which will be attached in their diary indicating the club(s) in which they have a place with details of session dates and time. Please keep this letter safe so that you can refer to it when needed.

Yours sincerely

Mrs Lorna Jackson
