

Live Argyll are inviting all Argyll and Bute primary children from age 4 to 11 years to read with them this summer. Your challenge – should you choose to accept it – is to read 5 books of your choosing from any of the Argyll and Bute libraries including the online library #BorrowBox. All you need to do is call into your local library and pick up some books. Alternatively you can download any eBooks or eAudiobooks from the online library or you can let the friendly, helpful library staff choose for you through the Click and Collect service available in the main town libraries.

To Read for Summer all you have to do is fill out an online form and get reading.

Once you've completed the challenge you should register the five books that you have read noting the title and author then you can go to your local library during opening hours where you'll receive a goodie bag along with a certificate – just for you. If you are unable to visit a library Live Argyll will arrange for your goodie to be delivered to your school or any alternative address (hard copy registration forms can be uplifted from your local library)

The challenge opens on Wednesday 23rd June and closes on Friday 3rd September.

Follow our liveArgyll libraries facebook page for updates on all the new children's books that are coming your way!

Live Argyll will be updating and sharing information throughout the summer on our libraries
